Tribute Wall

“ Please accept my condolences. Please know that the God of comfort feels your pain and sorrow. He actually provides something better to look forward to. Jeremiah 29:11 specifically tells us God wants to give us a peaceful "future and hope." He promises in the near future all the pain and sorrow you are experiencing about your loss will be gone and we will be able to enjoy perfect life with all our loved ones.*

“ Sandrito, you will always be in our hearts! We miss you and love you so much. You are now an Angel in heaven! Please watch over us from up above. Thank you for all the great memories you left us to cherish. That smile of yours will continue shining. RIP primito! ?

“ Sandrito, mijo. I miss your voice. I miss our conversations. I am glad we spoke on Friday, but it was your turn to call me on Sunday. I saw you dressed as white butterfly, flying free and you told me you were finally free. I am sorry we did not get to spend Christmas with you. I know you were looking forward for all of us to go this year. Thank you for always having a loving heart no matter what. I love you. Your loving words are engraved in my heart. I love you, I miss you and God bless you.
