

Sarah Frances Nass (Susie)

October 25, 1941 - April 14, 2022

Our fun, beautiful, caring mom, Sarah Frances Nass (Susie) born in Lakeland, Florida on October 25, 1941, passed away on Thursday, April 14th 2022 peacefully in her sleep. Loved by all, she devoted her life to her children, Warren and Mark, staying home and raising them, while her husband Paul worked to provide for the family. Paul and Susie traveled with Warren and Mark, but ventured out on their own to see the world. Susie worked in the Cosmetic field for 10 years once the boys came of age. Upon Pauls' retirement, they opened and successfully ran Beachwood Bed and Breakfast in Seaside, Oregon for about 15 years. Susie never wanted to be the center of attention, so the services will be private for immediate family members only. Friends wishing to honor Susie are invited to make a donation in her name to their local children's hospitals, for instance CHOC or St. Jude.

I forgot to add that our wives, Cathy Lee and Suzy, thought of our mom and dad as their parents also. Such a huge loss for our family to lose both Paul and Susie.
