“ *To our dear friends Eric, Ryan, Dale, and Heather,*

*There is no way to put into words the lose of your wife and mother has brought us. When we heard the news that Sonja had pass it honestly did not feel real. We can still vividly remember going out to dinner at Joey’s, have our backyard get togethers, and drinking in your garage all those nights ago. But it honestly felt like last night.*

*We know there is nothing we can do or say to help take the pain away of your loss. Just please know that we will always be here for you, and we are always a phone call away. We promise we never forget Sonja and the precious memories she made during our time with her.*

*We hope and pray for your family during exceedingly difficult times. Please accept our deepest and sincere condolences.*

*Love the Killian family.*

“ *Sonja was such a beautiful woman inside and out and will be truly missed. She welcomed us to the neighborhood 6 years ago with her friendship. We enjoyed wine, margaritas and lots of laughs. We were blessed to have had her in our lives.*

“ *Sonja was truly an amazing woman. I met her walking my son to kindergarten. Dale was in Kindergarten with my son. We walked to Glenmeade together for years. She was a second mom to my daughter Raeann. I'll always treasure Sonjas smile, laugh, talks and friendship. She's no longer an angel on earth, she's now an angel in heaven.*
