

Thomas 'Tommy' Wayne Henrich

June 13, 1966 - July 25, 2015

With a heavy heart we say "goodbye" to our son, Tommy Henrich, who passed away unexpectedly on July 25, 2015. Tommy is survived by his mother and father, Maureen and James Henrich; sister, Kristina Henrich-Blaich; grandmother, Lillian Freeman; and uncle, Robert Henrich. He was a life-long resident in Brea, CA. After graduating from Brea High School he studied at Mt. San Antonio College concentrating on the Fine Arts. Tommy was the President and CEO of Allied Sourcing International (ASI). Tommy's business distributed promotional products to many sporting events in the Orange County area. Tommy was also the family genealogy expert. He brought the overall family heritage closer together by leading and coordinating family reunions. He was an avid member of the Studebaker Drivers Club, winning many awards with his 1956 Hawk classic. There will be a Celebration of Life and interment held at Memory Garden Memorial Park & Mortuary on Saturday, August 8, 2015 at 2:30 PM. A reception will follow for family and friends.

“ I am so late with this message. I am an avid photographer with most of my photos of the Canadian arctic and many provinces. I have seen photos from Tommy in places that I could never quite figure out why he would be there thousands of miles from his home. One place is Lennard Manitoba where he took photos of graves where my great grandparents (burla) donated land as homesteaders and built the first Romanian church. I wish I had contacted him while he was alive. To his family and friends to know he did something special to highlight people that would have been otherwise forgotten. I am now on the same quest as I retire. Tim Kalushka

“ My favorite memory of Tommy was meeting up with him at a bowling alley. When he saw me he lit up and came running to greet me with a great smile on his face then brought me back to meet his team. He had so much love of life and his people. He will be remembered fondly and deeply missed.

“ *The World was a better place with Tommy in it! Condolences to Tommy's family. Tommy & I had a working relationship for many years in the promotional products industry. Though I never physically met Tommy, it seemed we had a genuine bonding of a working relationship, as well as, a true friendship. You will be missed my friend. Bruce Siegel, Chicago*

“ Forever grateful for knowing Tommy, as Tommy's image of a little boy in the Canyon (same haircut), and the image of him with his Studebaker will forever be remembered in my mind. 'Thank You Tommy' for being a good friend to my brother Donnie growing up. May you be soaring in Heaven with him, and reminiscing about Canyonite days. I am happy we got to catch up and Donnie's memorial. So very sorry to hear of your passing. My parents, Don and Cheryl Reed

“ Life goes by so fast. Having knew / met Tommy 15 years ago, we stayed in touch from time-to-time throughout the years. His energy was amazing as was his zest for life. I am so sorry to hear of his passing; my thoughts are with his family during their difficult time.
