

Tia Marie Federici

March 30, 1984 - March 14, 2019

Tia M. Federici was called home to God on March 14, 2019 after suffering complications during childbirth due to Amniotic Fluid Embolism suffered in April 2016. Born in Buffalo, New York March 30, 1984 to father Rick Wright and mother DeeDee Dipalma, Tia was a loving wife and mother whose creative spirit could lighten the darkest rooms. She is preceded in death by her mother DeeDee, sister Kelly, and Brother Shane. She leaves behind her Husband Benjamin, Daughter Alexis, Daughter Klynn, Son Vincent, and Daughter Victoria, sister Angela, Brother Rick, Sister Deanna. Tia had a warm, caring heart and would always see the best in people. She was always there to help someone out by anyway she could. She loved her family immensely and lived her dream of being the mom and wife that she envisioned. Tia loved to bake. The house would always welcome you with the smell of something delicious in the oven followed by a plate. She loved to create with her hands, letting her artistic side flourish as she made life long memories with her family. Her life will always be cherished by those who loved her as she made such an impact on our lives.

“ *Sending my condolences! I'm an old friend of Tia's. She lived with me & her brother when she was in Salamanca. I'll miss her messages. We actually talked on the phone months before this all took place. I'll cherish the memories I had with her & Shane. Until we meet again. Hugs to her Husband & Kids*
