“ *My deepest condolences to the Family. My Uncle Val was a social butterfly and loved the Lord. He was always good to us and made us laugh. We have great memories while children and now as adults. Always strong but silent. He will be missed but is in the presence of the Almighty God along with all. And he is probably making a difference again. I love you Uncle Val and you will forever be in my heart.*

“ I went to visit grandpa Sanchez in San Diego when I was in high school to get away... it happened to be the 2 weeks he had the Virgin Mary from the church so he make me pray the rosary 12 times every day lol.. he also took me to bingo with all the church ladies and they pinched my cheeks ... I won money and ate pancakes.... that was just the tip of the iceberg when it came to this trip lol
