“ Of our yearly watching Hocus Pocus when I was little. To game nights. To trips to the zoos. To my weekly phone calls with her so she could get updates on me and the kids (who absolutely loved her). I always enjoyed telling her new things going on overhear in Germany. She will be missed very much.

“ Barbara and I have been like sisters for 47 years, which means that I had 47 years to have Vernie as a second mom. She would always tell Barb and I that we were so much alike, we must have been separated at birth. Her strength, her positivity and most of all her smile were things that you could always count on. I was blessed to be able to spend the day before her passing with her. We had a good day and her smile was always there. Not a day goes by that I don't think of her. I will miss her so much. I'm so grateful to be able to have called her my second mom and a friend.
Love you mom.

“ She was the best big sister I could have. She was wonderful to be around, always loving, always cheerful. Our weekly phone chats made me happy we laughed & teased each other. She kept me updated on the family, she was our link. I'm still trying to absorb that she's really gone. We will all miss her dearly.

“ *What I will always remember about my Tia Vernie: Her infectious smile, her love for scratcher tickets, collecting cans for the nieces and nephews, breakfast on Fridays, and above all else, her positive mindset and appreciation for life and family! Love you Tia, you will forever be in our hearts.*

“ I have been so fortunate and grateful to have Veronica in my life for the past 19 years. She loved with her whole heart and I was so lucky to be loved by her. I will forever admire her patience, wisdom, generosity and kindness.

Some of the things about Veronica I will miss so much is her infectious giggle. Her green chile chicken casserole and BBQ brisket. Her excitement for anything to do with winning the prize, the lotto and scratcher's. The “butt” calls I received from her on a regular basis and our family trips to Watsonville to visit the girls.

I am truly grateful to have been a part of Veronica's life. She will forever be in my heart as her caring, gentle, loving soul will remind me to always to be kind, strive to live a happy life and to love unconditionally. Veronica will be so missed by me but never forgotten. She is now our guardian angel.

♥ Love you Veronica ♥

“ Beautiful sister and best friend. We were only one year apart, but we were like twins. There wasn't much we didn't do together. It will be difficult to go through my days without her, especially her daily morning wake up calls. Everyone's' comments are consistent; kind, loving, generous, and considerate.

“ I was blessed to know Veronica She was not only my friend but family. We knew each other as young children and would often spend time together at family functions. Even though I live in Colorado I would visit with Vernie and her family when I traveled to California. I will always remember her friendly smile and loving ways. RIP My friend.
