

Victoria Ann Lindsay

November 9, 1964 - August 18, 2018

Biography

Victoria Ann Lindsay was born November 9th, 1964 in Arcadia, California. She was the baby/youngest of two daughters to Ronald Keith Lindsay and Patricia Ann Lindsay.

After graduating from La Habra High School in 1982, she went on to model hair along with modeling in cosmetology school. Soon after you could find her at Hair and Nail Casino, during that time hair was her passion and she was good at it. You could find her on the weekends doing friends' hair or cutting the neighborhood children's hair. In October of 1995 she went on to have her first and only son Dante. She still continued on to an abundance of things after becoming a mother. She worked for the county of Los Angeles for a short time and went on to become a dog trainer and manager at Petco because of her love for animals. After that she moved on to her next occupation which was being an armed post commander and she LOVED her job.

Late this past year in November 2017, Victoria was diagnosed with stage 3 cervical cancer and began her fight against it. Many did not know she was sick and that was because she wanted everyone to remember her as she was.

She is remembered as the spunky girl dancing and singing and doing whatever she could to brighten your day. She is remembered as the one to go above and beyond for her people and you just love being around her.

The driving force in her life was the faith and trust she had for her Lord and Savior, Jesus Christ. She put it all in his hands and stood faithful by him in all of it, opening her Bible every chance she had. As ordered by our Lord, he called her home to rest in the ending hours of August 18th 2018. She is survived by her son Dante Vega of Whittier, CA, her sister Terry Lindsay of Whittier, CA and her Hazel B Puggy.
