“ Vonda was a great advocate for the square dance community in Southern California and the nation. She was very encouraging and supportive to me as BnB Int'l President. I loved all of our phone chats. She will be dearly missed!

Like John Ryan said she was a long time supporter of the BnB square dance community. She helped me from the start as well. From club president , to foundation chair to Intl president she was there all the way. She held many official positions over the years filling in where needed most. Dedicated to the craft helping others along the way over many many years. She will be missed and played a very important part of the BnB organization, Thank you Vonda, for so many many years of Service.
