“Walt thank you for all you did as a feind. A little cantankerous but politically correct. You have left us with a life time of memories for us to share, Ford vs Chevy? And the brand muffin to get you up the hill when you were on the bike. And your coffee cup, oil can Henry we will miss you. Two hits of the shop apron and your coffee cup was ready for the next day. Thank you. You will be in our prayers. Randy & Sue Sent from AOL Mobile Mail
